

## **RINA LONDON BRANCH HONORARY SECRETARY'S SEASON REPORT FOR 2021 - 2022**

Constitution of Branch Council:

President:	Keith Lilley
Vice - Presidents:	Jonathan Morley; Peter Jenkins
Honorary Secretary:	Lourdes Lilley
Honorary Treasurer:	Leo Andrelos
Technical Secretary:	Tun Tun Min
Members:	Zafer Ayaz; Enrong Chang; Edward Eddy; Murat Oknar, Daniele Caruso, Rodrigo Perez Fernandez; Jaime Perez Martinez, Ryan Abela

As a result of the continuing and varying restrictions throughout this season, the Branch have delivered all presentations via webinars, which have been extremely well supported thus ensuring a successful season.

The one exception from a purely webinar event was the meeting on the HQS Wellington on 4<sup>th</sup> April which was delivered as a hybrid event.

Since the last AGM there have been nine (9) events. Details of all the presentations delivered are included in this report which will be posted to the London Branch website. The webinars were well attended with an average of 52 attendees, the most being 123 attendees. This number continues to be greater than past averages and indicates that webinars are very well received. Council will consider this increase in attendance and popularity of webinars going forward when the 2022/2023 program is developed, and attempt to provide in-person events, webinars, and hybrid events as appropriate.

During this season, the Branch has continued to increase the number of Email addresses on our circulation list as directed by Members, to enable the Branch to keep people informed directly about the Branch meetings. The Branch Council has tried to ensure effective targeting of our advertising posters by keeping their distribution list under continuous review and we also continue to publicise our meetings on the RINA website and via RINA HQ e-blasts. The Branch has also initiated a LinkedIn site, and all members are encouraged to register.

All London Branch webinars are posted to the RINA Youtube channel.

The Branch continues to issue certificates of Continuing Professional Development upon demand for those attending presentations.

All members are encouraged to contact the Honorary Secretary if they wish to give a presentation to the Branch. All proposals would be gratefully received.
