Date: Tuesday 5 December 2017

Time: 1915

Venue: RPCYC, The Hoe, Plymouth

Global Implementation of the Ballast Water Management Convention

Tim Fileman, Centre Manager, The Ballast Water Centre, PML Applications Ltd.

The talk will cover the following areas:

- The Problem, the background and history of the problem of invasive & harmful species introductions.
- Why it's not too late for regulation and action.
- The solution to the problem:
- Detail of the IMO regulations and how they will be implemented.
- Type approval of ballast water treatment systems
- Who does what with the IMO convention?
- Exemptions and equivalence
- Port State Control MoUs and Port State Control Guidelines
- How to sample and verify compliance?
- What next?
