

STRUCTURAL DEPARTMENT MGR - South West - £60K

An Engineering Consultancy, specialising in vessel design, refits and conversions (commercial vessels) seeks an experienced Naval Architect/Structural Engineer. Taking full responsibility for a specialist team of engineers working on a variety of (predominantly UK) based projects you'll be required to demonstrate strong team management skills.

SENIOR NAVAL ARCHITECT (FPSO) - South - £55K

Embark on a career with this market leading Consultancy firm at the forefront of major offshore engineering projects. You will be required to travel and work independently on major projects with high profile clientele. You will only be considered with strong academics and practical FPSO consulting experience.

NAVAL ARCHITECT (FPSO) - Netherlands - €5,500/mth

This is an opportunity to join a global owner/operator in the offshore floating production sector. Our client requires experienced candidates to be permanently based with their Netherlands design team. You will be able to demonstrate 5+ years within the offshore design sector ideally focussed on FPSO Engineering.
