Technical Lecture

An Introduction to Security of Navigation Stabilisation, Advice and Training (SONSAT) capability as a component of the UKHO

Speaker: Robert Higgs - UKHO

Date: 18th October 2021
Time: Webinar begins at 19:00
Venue: This lecture will be delivered through a Zoom Webinar

Speaker:

Robert Higgs, joined the UKHO in 2008 on completion of a 36-year career in the Royal Navy, which he joined as a Radio Operator and retired from as a Lieutenant Commander. He served in a wide variety of appointments, both at sea on operations and ashore. Notably, The Falklands and first Gulf war. He also spent 6 years working with NATO as a maritime communications planner in both Portugal and The Netherlands. Since joining the UKHO he has been fully involved with maritime safety and security of navigation capability within the Defence section.

Please note that the AGM is now due to be held next month before our technical lecture on the 15th of November.
