

RINA

THE ROYAL INSTITUTION OF NAVAL ARCHITECTS

Founded in 1860, **The Royal Institution of Naval Architects** is an internationally renowned professional institution whose **members** are involved at all levels in the **design, construction, maintenance and operation of marine vessels and structures** of all types. Members of the Royal Institution of Naval Architects at all levels are widely represented in industry, universities and colleges, and maritime organisations world-wide. There are classes of membership to suit all those who are involved or interested in the maritime industry.

The Royal Institution of Naval Architects enjoys an outstanding reputation for the quality and range of its **international technical journals, Transactions** and **conference proceedings**, covering all aspects of naval architecture and the maritime industry.

The Royal Institution of Naval Architects also organises an extensive and successful programme of **international conferences, seminars** and **training courses** covering a broad range of experience and opinion on research, development and operation of all aspects of the design, construction and maintenance of marine vessels and structures of all types.

Membership of the Royal Institution of Naval Architects gives the following **benefits** and **services**:

- A **professional qualification** which is internationally recognised as demonstrating the achievement of the highest standards of professional competence and commitment
- Up to date information on **technical developments** in the maritime industry and Institution **events** through the Institution's journals and eNewsletters.
- Free copies of the leading technical journals, ***The Naval Architect, Warship Technology*** and ***Offshore Marine Technology***. Free copies of technical papers. **Reduced rates** on all other publications
- Reduced rates for all international **conferences, seminars** and **training courses** organised by the Institution
- **Advice and assistance** on all aspects of **academic study, training** and **professional development**.
- Access to **library** and **meeting facilities**
- Free entry in the **Maritime Services Directory**
- **Opportunity to meet and exchange views** with other maritime industry professionals at local Branches and conferences, and through the Institution's online technical forums
