## **RINA/IMarEST Technical Presentation**

### **An Inclusive Approach to Naval Ship Sustainment**

<b>Presenters</b>	Ian Moon Head of Engineering, Naval Ship Management (Australia)
<b>Date</b>	Wednesday 2 June 2021
<b>Time</b>	6:30 pm AEST
<b>Meeting</b>	This presentation will be held as a video-conference webinar using the WebEx software platform hosted by Engineers Australia. Registration for the presentation is required (see below).

This presentation describes Naval Ship Management (Australia)'s journey and approach to delivering naval ship sustainment and support. NSM's Inclusive Prime model incorporates four key building blocks for effective and efficient naval support services.

Case studies will be showcased in the presentation.

**Registration** Registration for this presentation may be completed at

<https://cvent.me/d95wA0>

Enter your first and last names and email address, and click Yes for Are you a member of RINA/IMarEST (even if you are not a member) to reduce the cost to zero; enter your career stage and engineering sector, agree to the terms and conditions, and click Next/Next, then click Submit.

When registered, you will receive a confirmation email containing the URL and password for the webinar.
