RINA/IMarEST Technical Presentation

Wärtsilä Products and Solutions—Powering a Sustainable Maritime Future

Presenter	Ashar Khan Manager New Build Projects Australia-Pacific Wärtsilä
Date	Wednesday 2 February 2022
Time	6:30 pm AEDT
Meeting	This presentation will be held as a video-conference webinar using the Zoom software platform hosted by RINA. Registration for the presentation is required (see below).

Wärtsilä is a global leader in innovative technologies and life-cycle solutions for the marine and energy markets, emphasizing innovation in sustainable technologies and services to help customers continuously improve their environmental and economic performance. With an extensive portfolio of innovative and integrated products and solutions, Wärtsilä delivers efficiency, reliability, flexibility, and environmental sustainability to enhance the business of its customers.

This presentation will highlight Wärtsilä's developments and innovations in engines, gensets, propulsion, energy and power systems, decarbonisation and future fuels.

Registration Registration for this presentation may be completed at

<https://forms.gle/zgWnk2b7B1Fyr9LH6>

Registrations close at 6:00 pm on Tuesday 1 February. Those registered will be emailed the Zoom meeting weblink, ID and passcode that evening.

Register and put this date in your diary now, and we look forward to you joining the presentation.
