Technical Lecture

The Next Generation MCM Platform

Alex Aitken, BMT

Date: Monday 25/02/2019
Time: Refreshments at 19:00, start at 19:25
Venue: Lecture Theatre 2.3, Building 5 West, University of Bath, BA2 7AY
Organiser: Kevin Heaney
Contact: secretary.wjb@imarest.org

Summary:
Alex will present the findings of BMT's R&D into the shape of near future Mine Counter Measure (MCM) operations. He will summarise the work BMT did, the assumptions behind its research and the capability BMT thinks is required to deliver the next few generations of the MCM toolkit. The research also considered the different approaches that nations are taking in their MCM programmes and the influences they will have on the eventual solutions.

Image: BMT VENARI 85

Speaker:
Alex is a naval architect and co-leader of BMT's pan-department Ship Outfit & Arrangement Team. He joined BMT in 2001 and has worked on a large variety of new platform design and in-service programmes.
