First Notice & Call for Papers

This conference, the 32nd in RINA's successful Warship series, will look at the 'Affordable Warship'. The conference will be held in Bath on 20-21 June 2012.

How to meet the ever increasing cost of warship procurement, upkeep and operations, whilst at the same time meeting the need for ever more capable and sophisticated platforms is a dilemma faced by most navies today. "Warships 2012 - The Affordable Warship" will consider how innovation and advances in all aspects of design, construction and operation can contribute towards achieving lower through-life cost ownership whilst maintaining fleet capability.
