Time: 09:30 – 11:30

Venue: Newport Street, Stonehouse Creek

Organiser: YMN

Contact Information: Darren Johnson – Darren.Johnson@babcockinternational.com

Princess Yachts

Have you ever wanted to see a modern yacht building facility? See the most up to date luxury yachts being built today? Princess Yachts is a world leading luxury yacht manufacturer which has been based in Plymouth for over 50 years and proudly produces over 80% of each and every yacht in Plymouth. The Newport Street site is the original manufacturing facility and is the home of Princess Yachts – crafted in Plymouth.

The tour includes the assembly lines of the fly bridge boats which range from 43' to 78' and a look at a fascinating site steeped in maritime boat-building history which now hosts the manufacturing facility of today's modern luxury yachts from the latest Princess models.

There are only 20 places available, to reserve a place please email: Darren.Johnson@babcockinternational.com
Places are on a first come first served basis.

There will be a small fee, collectable on the day, of £5 per person, which will go to a Princess Yachts' charity – the Marine Conservation Society. Once you are confirmed on the tour, you will need to provide your full name to enable you to gain access to the site. There will be limited safety shoes available, so please bring your own if you have them. Parking will not be provided; however there is local council parking nearby.

Continued Professional Development	Certificate of Attendance at Visit – Saturday 12th May 2018
