## Princess Yachts & The South Yard Facility Tour

Have you ever wanted to see a modern yacht building facility? See the most up to date luxury yachts being built today? Princess yachts is a world leading luxury yacht manufacturer and one of its main facilities is located in the grounds of the historic Devonport Royal Dockyard in Plymouth.

The tour includes the history of the main slip, gazebo, ropery, twine shops and the hangman's cell located in the boundaries of the site. Time permitting it will also include a look at the Princess Yachts mock up shops for the 30, 35 and 40 metre flagship vessels.

This is a great opportunity to look around an historic site which has had a modern yacht building facility incorporated into its grounds.

Only 15 places are available, to reserve a place please email: [Darren.Johnson@babcockinternational.com](mailto:Darren.Johnson@babcockinternational.com)  
Places are on a first come first serve basis.

There will be a small fee of £5 per person, which will go to a charity of Princess Yachts choice. Once you are confirmed on the tour, you will need to provide your full name and vehicle registration to enable you to gain access to the site.
