

# Devon and Cornwall Joint Branch

The programme of technical meetings for 2009-10 has ended and a new one is being prepared for the 2010-11 season.

## **Please consider joining the Joint Branch Committee.**

It comprises 16 members that meet monthly to decide activities that the Joint Branch can undertake in furtherance of the aims for which we all joined.

The Chairman, elected by the committee, serves for 2 years and the position normally alternates between RINA and IMarEST members. This year, it will be the turn of a **RINA** member – and we need more RINA members on the committee.

If you want to join the committee or would consider yourself as a candidate for joint branch chairman please contact the secretary, details below.

Elections take place at the Annual General Meeting held in October, but there are currently vacant positions that can be filled by co-option **now**.

## **Professional Review Interviews**

Members and Fellows of both institutes are urgently sought to assist other Joint Branch members aiming for Chartered or Incorporated registration by helping occasionally to conduct (in pairs) professional review interviews. Training is offered.

Any help you can give with these important functions of the Joint Branch will be most welcome.
